Cyber Security Management System
CSMS Establishment Support Service

CSMS Establishment Support Service

Class NK Consulting Service Co., Ltd. in collaboration with KDDI Corporation offers full support for your CSMS establishment.

Are you bothered with such problems ?

- We want to gain CSMS certification, but don't know where to start.
- We want to check if there are any deficiencies or incorrect contents of a cyber security measures that we have independently established.
- We don't have a person in charge in the company, and I don't know much about cybersecurity. I want to consult with an expert.
